MISSIONARY OF THE QUARTER

Ben and Jessica Spicer are our new missionaries of the quarter. They serve with Pioneers mission in Brazil, in the upper Amazon region. The essential mission is church planting and evangelism, but the Spicer's are into many things, including aviation, youth sports ministry, and Jessica is an RN in the medical clinic. They have three small children. Recently they were stuck in the USA due to Brazil Covid travel restrictions, so we may have a visit from them soon! Let's bless this family with a generous gift!
