June Missionary of the Month

Alisa Pierschbacher is our missionary of the month for June. She serves with Brazil Gospel Fellowship Mission. Alisa ministers in the mountain town of Pacoti, with the New Hope Bible Baptist Church plant. Her ministry activities include evangelism, children's church, vacation Bible school, discipling and counseling kids and young women, and more! Please pray for Alisa and her mother Nadine as they travel in the US this summer and help lead four vacation Bible schools. If you would like to give a special gift to Alisa, you can designate your gift in the offering.
