July Outreach of the Month

The Parkville Women's Clinic is our outreach of the month. This ministry supports moms, dads, and babies in our community who are in need. They offer classes, free medical services, and many resources. They had over 3,000 clients in 2021, so they need a new building! Will you fill a baby bottle with coins, cash, or check, or make a special gift for them in the offering? Baby Bottles need to be returned to church by July 30.
